Floors For A Better World

Cork is recognized worldwide as a floor with unsurpassed environmental advantages.

TORLYS entire cork collection is FSC® (Forest Stewardship Council®) certified, ensuring your floor meets strict environmental standards, including wood and cork sourced from responsibly managed forests.

LEED®

TORLYS smart Floors can assist in acquiring LEED certification for most building projects. Please visit commercial.torlys.com/sustainability/leed-guide/.

TORLYS is a member of the Canada Green Building Council whose mission is to lead and accelerate the transformation to high-performing, healthy green building, homes and communities throughout Canada.

SoloPlus 5-in-1 Moulding

Five mouldings - in ONE profile.

- 1. T-Moulding:** used to adjoin two floors of identical height.
- 2. Reducer:** used to transition two different floor heights.
- 3. Square Nose:** used to transition to carpet.
- 4. Square Nose:** edge moulding used to conceal the expansion gap around the perimeter of the room.
- 5. Flush Stair Nosing:** stair-edge seamless trim moulding for installation of TORLYS Cork on staircases. Clicks flush into your TORLYS Cork floor, thus eliminating the overlap of traditional stair nosing. SoloPlus can also be used for non-flush installations on landings.

TORLYS smartSTEP

CorkWood collections offer a unique smartSTEP moulding solution so you can add the perfect finishing touch to your installation. The smartSTEP is made from an actual full plank of matching TORLYS flooring for a perfect colour, texture and dimension match. The CorkWood smartSTEP also uses the same Uniclic® joint as the matching floor for an easy, seamless installation.
