NatureTEK^{PLUS}

WOOD PERFECTED

NatureTEK[®] Plus presents a new generation of laminated wood construction. WetProtect[®] offers the right kind of waterproof with water-tight joints, a proprietary waterproof finish and a lifetime surface and subfloor warranty. GenuEdge[®] TEKology enables the surface design and color to 'roll over' the edge for the most realistic plank looks. Steam mop your floor for the easiest, quickest, most effective clean, without worrying about moisture damage. A protective wear layer stands up to everyday scratches, stains and fading. Styles with a 2 mm attached pad offer simplified installation, noise reduction and protection against mold and mildew.
