Warranty Details / Restrictions

1. Wear:

The guarantee is restricted to wear on the surface of the planks or tiles. The wear must be readily visible and measure a minimum of 1.4 square centimeters (0.5 square inches) and cannot be the result of abusive conditions or accidents such as, but not limited to, damage caused by severe impact, scratching or cutting, or faulty maintenance. Gloss reduction is not considered wear.

2. Structural Integrity:

We guarantee that this product is free from manufacturing defects and will remain free of these defects for the duration of this Warranty.

3. Joint Integrity / No Gapping* is defined as:

* when temperature at the surface of the flooring does not exceed 100°F – 38°C, and TORLYS Smart Tape is used, in areas exposed to direct sunlight, as per the EverWood and EverTile installation instructions.

***Note: when EverWood and EverTile PREMIER is installed glued down, the use of the TORLYS Smart Tape is not required.

The joint will remain secure and the planks or tiles will not come apart. All TORLYS floors are engineered to minimize gapping. Minor gapping (up to 0.2mm or 0.01 inches), without the unlocking of the planks or tiles, may occur and is not considered a defect.

Important: gaps / open joints on TORLYS EverWood and EverTile, that have been installed floating, can be closed with the use of the TORLYS Bulldog® Easy Plank Replacer.

NOTE: The above warranties are "pro rata". A "pro rata" warranty provides for a refund or credit that decreases as the respective warranty period progresses, i.e., the warranty is reduced proportionally to the amount of time that you own your floor.

This Warranty is NOT applicable to installations in:

- Heavy traffic areas such as, but not limited to, public areas in airports, bus stations, etc.

Note: in case of doubt about a specific type of location, please contact TORLYS technical services at 1-800-461-2573, ext. 2376 or 6009).
