TORLYS revolutionizes laminates, marrying the beauty of wood with high performance in a waterproof floor thanks to the innovated technologies of HydroSeal and Uniclic®.

\*Fully waterproof when installed with a perimeter seal. Visit [torlys.com](http://torlys.com) for full warranty and installation information.

These TORLYS Laminate Floors have earned the North American Laminate Flooring Association (NALFA) Certification Seal by passing a series of rigorous tests designed to evaluate the floor's performance, durability, strength and overall quality. You can be assured that you're getting the best quality the industry has to offer.

TORLYS Smart Floors can assist in acquiring LEED® certification for most building projects. Please visit [torlys.com](http://torlys.com).

TORLYS is a member of the Canada Green Building Council whose mission is to lead and accelerate the transformation to high-performing, healthy green buildings, homes and communities throughout Canada.

# Park Lane Laminate Flooring

## TORLYS Peace of Mind Assurance Warranty

● ● ● ● ● DESIGNER

A 7-Year Limited Wear, Stain and Fade and Structural and Joint Integrity Warranty applies to light commercial applications. See [torlys.com](http://torlys.com) for details.

TORLYS Park Lane Laminate has a 35-Year Residential Wear, Water, Stain, Fade and Transition-Free Warranty and a Lifetime Structural and Joint Integrity Warranty for residential use.

### Why Smart Laminate?

Superior performance is built in to every TORLYS Smart Floor:

- A transparent overlay of extremely wear resistant melamine resin and aluminum oxide that is warranted for up to 35 years in a residential dwelling.
- Patented Uniclic® Joint resists ugly gapping when 20% to 65% humidity is maintained. No other joint outperforms TORLYS Uniclic® Joint.
- Move It and Re-use It — every Styleo floor can be disassembled and re-used in another room or home.

### TORLYS Transition Free Installation System

TORLYS Park Lane Laminate now offers the one and only Transition Free Installation System up to 50' x 50' with no "speed bumps" in residential dwellings. This means no more transitions in doorways or long hallways, allowing you to create a flawless look from one room to another for a completely seamless installation. Please see TORLYS website for specific installation instructions.

### AC Rating: AC4

Flooring is fit for commercial operations with standard amounts of foot traffic such as small shops or offices.

### Smart Uniclic® Joint Technology

TORLYS Smart Uniclic® Joint Technology has one of the strongest possible joints in flooring today. Constant lower lip pressure creates the tightest joint and is tested to withstand extraordinary

joint stress — more than 1,000 lbs of pressure per linear yard is needed to pull apart two TORLYS planks. The joint is also milled to 1/1000 of an inch for the most exacting fit.

### Healthy Home

TORLYS Park Lane Laminate is CARB 2 (California Air Resources Board) compliant, and FloorScore certified.

### TORLYS Bulldog™ Easy Plank Replacer

TORLYS Bulldog™ Easy Plank Replacer allows you to replace a damaged plank, not your entire floor. No glue. No nails. No staining. You can fix major mishaps quickly and easily, and renew your floor.
