How It's Made

- 1 Top Layer.** A top finishing layer to ensure your floor stays beautiful year after year
- 2 Decorative Layer.** Real wood-like textures featuring natural designs
- 3 TORLYS Smart Core.** Engineered to be dent resistant and strong
- 4 TORLYS Uniclic® Joint.** The most advanced, gap-resistant joint system available today
- 5 Bottom Layer.** Backing layer provides a moisture barrier and added stability

**Made in Europe
and North America.**

Safe & Sustainable

These floors help you create a healthier home as they contain no harmful VOC emissions and exceed California Indoor Air Quality standards, among the most stringent in the world.

All TORLYS smart laminate floors are FloorScore® certified. They will contribute to LEED® credits and contain 37%-80% pre-consumer recycled content.
